

COME ALIVE

IN CHRIST

SHOFAR CHRISTIAN CHURCH
EAST LONDON

WELCOME TO OUR FAMILY.

Enter our doors and step into a vibrant community of ordinary people serving an extraordinary God. A place where authentic relationships are formed and nurtured. A place where hearts are revived, and believers are equipped to revive others.

**Revival is now.
Revival starts with you.**

Our prayer is that you will be sufficiently hungry for more of God to receive all God plans to do in you and through you for His glory.

We would love you to join us in being revived, and in bringing revival to East London and beyond.

OUR VISION.

Shofar East London is part of the Shofar Family of churches, with more than fifty churches in South Africa and beyond.

Our mission is simple: **Revival. To hearts, homes, and cities.**

Hearts: We are called for revival. To be continually revived by God's presence and to release revival to others. Every heart that awakens to God's love has experienced revival.

Homes: Authentic revival impacts the home. It moves beyond the individual's heart being revived to bring transformation to the home, to our marriages, our children, and loved ones.

Cities: We believe that God has called Shofar East London to impact East London and to bring revival beyond this city. We serve an extraordinary God with massive plans for His glory.

Join us on this adventure of following Jesus and touching lives with His love.

WHERE WE CONNECT.

ENCOUNTERS *Building solid foundations in your walk with Christ.*

Each of the Encounter courses builds a different component into your life for a healthy relationship with God.

[1] LIFE ENCOUNTER: Renew your walk with God through a fresh encounter with Jesus and the Holy Spirit.

[2] HOME ENCOUNTER: Become part of the family. Discover the beauty of church community.

[3] DESTINY ENCOUNTER: Redeem your past. Restore your identity.

[4] FREEDOM ENCOUNTER: Find lasting freedom in Christ.

LIFE GROUPS *Doing life. Together.*

Life Groups is where church community truly happens and revival comes to our homes. Lasting life change happens best in a small group setting. This is the place to make new friends, to experience life change, and to be revived in your relationship with God.

We do life together with other believers. We meet in different small groups across East London for an eight week period per term. Sign up today if you want to be part of this experience.

LETS GO MISSIONS

Jesus commanded believers to go into all the world. We have a passion to equip believers for the work of the ministry and to impact our environment. Our Letsgo short-term mission trips are a great tool to grow yourself and to see God's kingdom come mightily.

UNDFTD MEN'S MINISTRY

Undeclared Men's ministry is on a mission to see men rise and become everything God has called them to be. We have UNDFTD Men's events to equip the men. The solid friendships that are developed anchor men in their journey with God.

AWAKEN WOMEN'S MINISTRY

Women are living expressions of Christ's love and each one has an irreplaceable part to play in His plan, but we need to be fully awake to Him, to each other, and to the world around us.

YOUNG ADULTS' MINISTRY

We are passionate about all age groups being part of the local church community. Our young adults' ministry, which consists of multiple young adults' life groups and other yearly events, is about creating an environment where young people can make friends with other believers and together grow in Christ. Make sure you get connected to this vibrant ministry!

AMPLIFIED YOUTH *Faith. Friends. Fun. Jesus to everyone!*

Our passion at Amplified Youth is for young people (grades 7 to 12) to experience God and to share God's love with others. We help young people to connect with God and one another.

We also give them opportunities to serve, to bring who they are to the youth ministry and church. Finally, our passion is to see the wider youth of East London impacted by God's love, so we stir that in the young people to reach their friends for Christ.

SHOFAR KIDS *Raising the next generation of giant slayers.*

On Sunday mornings we have children's church running concurrently with the Sunday services. Ministry to our children is a high priority to us. They are not only future disciples of Jesus, but also today's disciples. We desire for our kids to walk boldly as the Holy Spirit leads them; reclaiming all that God has destined for them to have and being convinced of their royal position in Christ.

IGNITE THE CITY *Touching Heaven, changing Earth.*

Ignite the City is our prayer ministry focused on praying for Shofar East London, the city of East London and our country.

We meet before Sunday morning services and at other times. Let's fall to our knees to see God move mightily in our midst!

GIVING.

The House of God is not built on the gifts of a few, but on the gifts of many.

The Bible speaks about different ways of giving. We are strongly encouraged to give generously to the cause of Christ and with a thankful heart. God blesses us to be a blessing.

Partner with us in extending God's kingdom in East London by giving faithfully and generously.
